

KEEP IT CLEAN PLEDGE

Thanks

We're excited you're going to help us keep our creeks and lakes clean!

Name _____ Email _____

City/Town _____ Date _____

Please help keep our creeks, lakes and ditches clean by taking these steps around your home. To be entered into a drawing for a \$50 gift certificate, print out this pledge form and fax to 303-413-7373 or email WaterPrograms@bouldercolorado.gov

We pledge to:

- Organize a creek cleanup.
- Pick up pet waste and put it in the trash.
- Wash our car at a commercial car wash to prevent soap from getting into the stormdrains.
- Use fertilizers and pesticides sparingly.
- Keep paint and motor oil out of storm drains.
- Properly dispose of used motor oil & unused household chemicals. *Call the Boulder County Household Hazardous Waste hotline at 303-441-4800.*

Did you know?

Anything that goes down the storm drain will pollute our creeks and lakes where we fish, swim and play. You should never put anything down the storm drain.
